INTRODUCTION

If you want economic freedom in the right words, then definitely participate in this movement of freedom otherwise what is going on will continue. MMM India is the true definition of freedom which has received unprecedented support in the world More than 4 crore people have adopted it and now they are earning not lakhs but crores. The biggest thing is that there is no owner, there is no company, neither it is a business nor MLM, this is a social revolution in which everyone helps someone first according to their ability, then others.
